Traditional Chinese medicine - Wikipedia Traditional Chinese medicine (TCM; simplified Chinese: 中医学; traditional Chinese: 中醫學; pinyin: Zhōngyīxué) is a style of traditional medicine built on a foundation of more than 2,500 years of Chinese medical practice that includes various forms of herbal medicine, acupuncture, massage (tui na), exercise (qigong), and dietary therapy, but. 100 Diseases Treated by Single Point of Acupuncture ... 100 Diseases Treated by Single Point of Acupuncture Moxibustion [Cheng Decheng] on Amazon.com. *FREE* shipping on qualifying offers. Single point therapy is an independent treatment method, derived from acupuncture and moxibustion. It refers to the application of stimulation at one point or one small local area of the superficial of the body in order to treat and prevent diseases. <P>Single. Moxibustion: Practical Considerations for Modern Use of an ... Practitioners of Chinese medicine usually receive limited training in moxibustion therapy. The training is mainly comprised of presentation of a few basic moxa techniques and a listing of some indications for use of moxibustion (e.g., to treat cold syndromes) and contraindications (e.g., in heat syndromes). The actual experience of utilizing moxibustion therapy is often confusing.

Acupuncture - Wikipedia Acupuncture is a form of alternative medicine. It is used most commonly for pain relief, though it is also used to treat a wide range of conditions. The majority of people who seek out acupuncture do so for musculoskeletal problems, including low back pain, shoulder stiffness, and knee pain. Acupuncture is generally only used in combination with other forms of treatment. ZUSANLI (Stomach-36) - ITM ZUSANLI (STOMACH-36) by Subhuti Dharmananda, Ph.D., Director, Institute for Traditional Medicine, Portland, Oregon. Zusanli is one of the most frequently used of all acupuncture points and is certainly the most intensively studied single point treatment in acumoxa therapy. Acupuncture - Medical Clinical Policy Bulletins | Aetna Aetna considers acupuncture point injection (also known as acupoint injection therapy, biopuncture) experimental and investigational for the following conditions (not an all-inclusive list) because the effectiveness of this approach has not been established:.
