90+ Soup Recipes I've Cooked and Loved | 101 Cookbooks Discovering and developing great soup recipes is one of my passions. Really! This is a list of many of the best soups I've cooked over the years. There are soups for winter and cold weather, but also spring and summer soups. They are nourishing, satisfying, and dynamic in flavor. I hope you enjoy these as much as I do. The Best Coconut Red Lentil Soup | 101 Cookbooks An absolute favorite lentil soup! A friend turned me onto this Ayurvedic dal recipe from the Esalen Cookbook years ago. Red lentil based, curry-spiced coconut broth with back notes of ginger and tomato, with slivered green onions, and curry-plumped raisins. Immunity Soup Recipe - 101 Cookbooks A soup built on a monster white pepper broth. White pepper with jolts of ginger, and stabs of garlic - clear and strong topped with tofu, mushrooms, watermelon radish, and lots of green onions.

Weekday Vegetable Soup Recipe - 101 Cookbooks A simple vegetable soup recipe. Perfect for weekdays. Made with tomatoes, white beans, celery, and some herbs. It's simple, and straight-forward with a finishing basil accent. A Simple Tomato Soup | 101 Cookbooks A simple tomato soup recipe inspired by a Melissa Clark recipe - pureed, warmly spiced, and perfect topped with everything from toasted almonds and herbs, to coconut cream or a poached egg. A Simple Carrot Soup Recipe - 101 Cookbooks You are looking at the simplest carrot soup. One I love, in part, because it's an example of how a beautiful meal can come together with a bit of care, and an impossibly short list of ingredients. Carrots and onion form the base. The base is spiked with dollop of red curry paste, and then pureed into silky oblivion.
