Review of "The Accidental Universe: The World You Thought ... The scene puts me in mind of what Alan Lightman terms the "boundaries between science and religion" in his new collection, The Accidental Universe: The World You Thought You Knew. Metro Sports. The Accidental Universe: The World You Thought You Knew ... "Alan Lightman brings a light touch to heavy questions. Here is a book about nesting ospreys, multiple universes, atheism, spiritualism, and the arrow of time. Throughout, Lightman takes us back and forth between ordinary occurrences"old shoes and entropy, sailing far out at sea and the infinite expanse of space. "In this slight volume, Lightman looks toward the universe and captures.
