For your information, i can not put book download Acid_Everywhere_Center_Gifted on www.nazc2014.org, this is just PDF generator result for the preview.

Acid, Acid Everywhere - Center for Gifted - Google Books "Students will be able to analyze several systems during the course of the unit. These include the "problem system", defined by the boundaries of the area affected by the acid spill; the stream ecosystem (into which the acid flows); and the transportation system (which will be disrupted by the acid spill). In addition, all experiments set up during the course will be treated as systems."--P. 3. Acid, Acid Everywhere: Exploring Chemical, Ecological, and ... Acid, Acid Everywhere presents the structure of systems through chemistry, ecological habitats, and transportation. This award-winning unit for grades 4-6 poses an ill-structured problem that leads students into an interdisciplinary inquiry about the structure and interaction of several systems, centering around the study of an acid spill on a local highway.
