Project MUSE - Acts of Enjoyment Acts of Enjoyment presents a critique of current pedagogies and introduces a psychoanalytical approach in teaching composition and rhetoric. Thomas Rickert builds upon the advances of cultural studies and its focus on societal trends and broadens this view by placing attention on the conscious and subconscious thought of the individual.

Ambient Rhetoric: The Attunements of Rhetorical Being ... In Ambient Rhetoric, Thomas Rickert seeks to dissolve the boundaries of the rhetorical tradition and its basic dichotomy of subject and object. With the advent of new technologies, new media, and the dispersion of human agency through external information sources, rhetoric can no longer remain tied to the autonomy of human will and cognition as the sole determinants in the discursive act.
