Amazon.com: Customer reviews: A Human Element (The Element ... A Human Element reminds me, in some ways, of The Watcher by Koontz. Premise isn't anything like the story--this is more sci-fi--but the escalating tension, suspense, and villain of the piece does. The darkness of the villain, what fuels his anger, attacks, and the thread of evil in him is very reminiscent of Koontz style. A Human Element (The Element Trilogy, #1) by Donna Galanti A Human Element is the first book in the Element Trilogy by Donna Galanti. This author is a new one to me, but I am looking forward to reading more of her work. She does not shy away from the dark side of life, instead, writing it with integrity and compassion.
