Acquainted with the Night : A Parent's Quest to Understand ... Acquainted with the Night : A Parent's Quest to Understand Depression and Bipolar Disorder in His Children by Paul Raeburn (2005, Paperback) Be the first to write a review About this product. Acquainted with the Night: A Parent's Quest to Understand ... "Acquainted with the Night is an outstanding guide to the experience and treatment of bipolar illness in children. It lays out the confusing, harrowing, tumultuous, painful, and exhausting journey that children and their parents make with this awful but treatable disorder. Acquainted with the Night: A Parent's Quest to Understand ... The author's painful self-examination of his family's response to the emergence of bipolar disorder in their son and the subsequent depression of their daughter, while the parents' marriage was unraveling, is difficult reading at times--and riveting.
