Active Literature: Jan Tschichold and New Typography ... Active Literature, an in-depth study of Jan Tschichold's modernist period, is based on extensive archival research that uncovered a wealth of new photographs of his design work. Author Christopher Burke presents a full portrait of the designer's career and puts into context Tschichold's own account of his life and work. Active Literature: Jan Tschichold and New Typography ... Active Literature: Jan Tschichold and New Typography ... While assessing Tschichold's contribution to New Typography, Burke devotes a few pages to the inconsistencies of his subject's viewpoints: Tschichold would, for example, advocate New Typography in his publications while simultaneously designing books in a traditional style. Active literature : Jan Tschichold and new typography ... "Jan Tschichold (1902-1974) has good claims to being the key typographer of the twentieth century : one of the leaders of the modernist movement of the 1920s, and, in the classical typography of his later career, perhaps the first typographic postmodernist.
