An Auricular frame amongst the Founder's Collection of the ... Timothy Newbery and Jevon Thistlewood discuss seven Auricular frames in the collection of the Ashmolean Museum. One is an early 17th century English pattern on a portrait, two are late 17th century Dutch frames on still life paintings, and the remaining four are on oil sketches by Peter Paul Rubens. An Auricular Frame amongst the Founder's Collection of the ... This paper aims to provide a detailed account of the frame for future record, provide a context for its presence within the Founders Collection, and make comparisons with other Auricular frames since accessioned into the Ashmolean Museum Collection.
