Forever Friends Poems | Poetry For Best Friends Forever Forever is a very long time. How is it that people can talk so casually about a concept that we cannot even wrap our minds around? Sometimes we have a friend and we sense that our souls are very closely connected. We know that the connection is above time and space. We know that wherever we are in our lives we will always remain friends. Friends Forever by Danielle Steel - Goodreads 'Friends Forever' follows a group of five children who meet the first day of kindergarten at their exclusive San Francisco private school, and vow to become friends for life. Trouble is, few of their lives get to last particularly long.
