Freedom of speech - Wikipedia Freedom of speech is a principle that supports the freedom of an individual or a community to articulate their opinions and ideas without fear of retaliation, censorship, or sanction. The term "freedom of expression" is sometimes used synonymously but includes any act of seeking, receiving, and imparting information or ideas, regardless of the medium used. Freedom of Expression | Freedom House Within individual countries, Freedom House employs advocacy, financial support, and technical assistance to support efforts by local free expression advocates to oppose or overturn media laws that restrict journalists's ability to cover crucial issues, including through criminal insult, defamation or libel laws. What is freedom of expression? definition and meaning ... Right to express one's ideas and opinions freely through speech, writing, and other forms of communication but without deliberately causing harm to others' character and/or reputation by false or misleading statements. Freedom of press is part of freedom of expression.

Freedom of Expression: The First Amendment Fourth, freedom of expression provides a "check" against possible government corruption and excess, which seem to be permanent features of the human condition. Restrictions on freedom of speech always authorize the government to decide how, and against whom, the restrictions should apply. Freedom of Expression | American Civil Liberties Union Thus, freedom of expression is an end in itself -- and as such, deserves society's greatest protection. It's vital to the attainment and advancement of knowledge, and the search for the truth. First Amendment | Wex Legal Dictionary / Encyclopedia ... The First Amendment of the United States Constitution protects the right to freedom of religion and freedom of expression from government interference. It prohibits any laws that establish a national religion, impede the free exercise of religion, abridge the freedom of speech, infringe upon the freedom of the press, interfere with the right to.
