Freedom Time | Duke University Press "Freedom Time is a dynamic treatise deftly upholding the Fanonian and Wynterian imperatives to navigate ongoing processes of decolonization and becoming Human betwixt and between the allure of emancipations masking as freedom. Freedom Time : Negritude, Decolonization, and the Future of the World October 7, 2015 Freedom Time: Negritude, Decolonization, and the Future of the World A panel discussion with Gary Wilder, Etienne Balibar, and Gayatri Chakravorty Spivak, moderated by Bachir Diagne. Freedom Time Negritude, Decolonization, and the Future of ... Freedom Time invites scholars to decolonize intellectual history and globalize critical theory, to analyze the temporal dimensions of political life, and to question the territorialist assumptions of contemporary historiography.

Freedom Time: Negritude, Decolonization, and the Future of ... "Freedom Time is an exemplary work of critical revision. Thinking through the cultural-political writings of Aimé Césaire and Léopold Senghor, Gary Wilder aims to put into question the normative narrative of anticolonial nationalism that yokes the demand for self-determination to the political form of state sovereignty. Freedom Time: Negritude, Decolonization, and the Future of ... Freedom Time does far more than simply follow Senghor and Césaire into World War II and through the post-1945 years. As he did in his previous book, Wilder draws from theory to reject the weight of certain historical approaches, notably presumptions about how time and temporality function. Freedom Time: Negritude, Decolonization, and the Future of ... Freedom Time reconsiders decolonization from the perspectives of Aimé Césaire (Martinique) and Léopold Sédar Senghor (Senegal) who, beginning in 1945, promoted self-determination without state sovereignty.

Freedom Time: Negritude, Decolonization, and the Future of ... As its title so eloquently reveals, this is a book about freedom and temporality, audacity and imagination. It is also, at once foundationally and obliquely, a book about blackness and modernity. Freedom Time: Negritude, Decolonization and the Future of ... Freedom Time: Negritude, Decolonization, and the Future of ... Gary Wilder's book Freedom Time: Negritude, Decolonization, and the Future of the World (Duke University Press, 2015) reconsiders decolonization from the perspectives of Aimé Césaire (Martinique) and Léopold Sédar Senghor (Senegal) who, beginning in 1945, promoted self-determination without state sovereignty. As politicians, public intellectuals, and poets they struggled to transform.

Project MUSE - Freedom Time: Negritude, Decolonization ... Perhaps these latter critics will be more judicious, now, after reading Gary Wilder's Freedom Time: Negritude, Decolonization, and the Future of the World, a thoughtful and challenging work on the often maligned Negritude thinkers, poets, and politicians Aimé Césaire and Léopold Senghor, both of whom presciently understood that decolonization with formal independence was no guarantee for substantive freedom (2).
